

### **Preferred Customer Billing**

- Automated Payment Tracking
- Past Due Reminder Calls
- Payment Processing

If you're a small to mid-sized business that has a need to track monthly payments by your clients CSL can help. CSL offers a no cost to you payment tracking solution. Automated payment tracking Clients that have monthly billing cycles can be tracked automatically. Clients paying down large balances can be tracked and reminded to make payments. Past due reminder calls If your clients are consistently slow paying there bills or making regular payments Credit Service will track them for you. Payment Processing Each month we provide a complete accounting of who paid and who is past due and who may need to be turned over to collections.

### **Catch Me Up!**

- This is a one time "Catch Me Up" service.

The number one reason companies end up using collection agencies is because nobody in there organization wants to be the one to call clients who have fallen behind. We will help you get those reminders out in a professional way. We forward all clients with questions or concerns directly to your office for resolution. All you need is someone ready to help those who need it.

### **Overdue accounts often stack up - CSL can help!**

Send us your list of past due customers and we will contact them regarding the urgency of getting in touch with your office.

Any customer that we contact will be transferred directly to your office to work out arrangements.

### **Stay On Top!**

If you have clients that need monthly reminders CSL can help you get those completed. We will help you get those reminders out in a professional way. We forward all clients with questions or concerns directly to your office for resolution. All you need is someone ready to help those who need it.

Our professional staff will help you each month by contacting your customers that are fast becoming past due and need that extra reminder to get their account taken care of. Customers are transferred to your office to work out payment arrangements. \*Requires a Three (3) Month Commitment.
